Dear Friends,

Welcome to the 2025 CAPA Marquee Awards presented by American Electric Power Foundation!

This is our seventh year as a regional program of the National High School Musical TheatreAwards®/Jimmy Awards® which celebrates outstanding student achievement in vocal, dance, and acting performance. We are so excited that our two winners (who will be named live tonight!) will join top musical theatre students from across the country in New York City for a ten-day theatre intensive

where they will experience private coaching, master classes, and rehearsals in preparation for a special showcase performance on Broadway on June 23.

While this program is competitive in nature, the true value lies in the sense of belonging it creates for our young people, in the educational and performance opportunities it provides, in the learning it offers, and the attention it brings to high school theatre programs.

If you are like me and you grew up a theatre kid, tonight will inspire nostalgia and will help you remember why you fell in love with high school musical theatre. Featured in tonight's showcase are "theatre kids" from all 26 of our participating schools. The performers and members of our student technical crew had just 9 days of after-school rehearsals to create the magic you will see onstage tonight. Working with these incredible young artists is always the highlight of my year.

Crystal Satterfield, our amazing Education Specialist, and I attended all 26 Marquee Award musicals this season, and we loved visiting each community and witnessing firsthand the support our central Ohio communities give to our high school musical theatre programs.

The importance of the performing arts in our schools cannot be understated. And, tonight, we are thrilled to celebrate the achievements of the high school musical theatre community in central Ohio.

Enjoy the show!

Hannah holds a B.F.A. in Theatre Design & Technology from Otterbein University where she studied stage management and costume construction. She has worked professionally with The Contemporary Theatre of Ohio, Columbus

Children's Theatre, Weathervane Playhouse, BalletMet, Opera Project Columbus, Saugatuck Center for the Arts, Orlando Rep, and the Walt Disney World Resort in Orlando. Her latest local productions include *The Importance of Being Earnest* at Otterbein and *Skeleton Crew* with The Contemporary Theatre of Ohio. Hannah currently serves as the Production Manager and Stage Management Mentor at Otterbein University. She'd like to thank her husband, Nick, and their cats, Spooky & Pippin, for their continuous support.

OUR CREATIVE TEAM

Sarah Short *Assistant Stage Manager*

Sarah is excited to be joining the CAPA Marquee Awards team this year! A proud Otterbein graduate with degrees in Theatre and Business Administration and Management, Sarah loves the Columbus theatre community. She has had the pleasure of returning to Otterbein as a alumna to stage manage several shows (Dance 2022: Find Me in the Shadows, Everybody, and Natasha, Pierre and the Great Comet of 1812) and speak on panels (Careers in Nonprofits and Her Business, Her Voice). Sarah also enjoys being a

part of the Ohio and Palace House Management teams with CAPA. During the day, Sarah serves as the Volunteer Engagement Program Officer at ServeOhio, Ohio's commission on service and volunteerism. She would like to thank her husband, Jack, and dog, Delilah, for all their support!

Elyse Kassa *Assistant Stage Manager*

Elyse Kassa is the Community Engagement Manager for CAPA. She has a vibrant dance career outside of the office, choreographing and teaching for her collaborative company/collective, "all our friends collective", which she founded in 2024. Elyse has performed as part of STILGO dance + tech, Lp & dancers, Perennial Movement Group in addition to touring her own solo and collaborative works around the region. Elyse deepens her connection to the artistic community

in Columbus through her leadership position in Columbus Dance Alliance, her role as a GCAC Navigator, and by leading dance classes for adults ages 18–70 at Flux Flow Dance Center. Elyse holds a BFA in Dance: Performance & Choreography from Ohio University.

Crystal Satterfield *Production Assistant*

Crystal Satterfield is the Education Specialist at CAPA. She is excited to serve as production assistant in her fourth CAPA Marquee Awards! Crystal's love for musical theatre began when she experienced *The Lion King* on Broadway as a child. In addition to musical theatre, Crystal has a passion for vocal singing. While attending Capital University, she was a part of Capital University's Chapel Choir and more recently has used her passion for music and

singing to teach English in Colombia and Spain. She received a Bachelor of Arts in Communication Studies from Kent State University. In her spare time, Crystal enjoys traveling, making her family and friends laugh, cooking, singing, learning instruments, and reading. Crystal would like the CAPA Marquee Awards participants to know that each of their unique gifts is beautiful and necessary, so don't hold back!

OUR CREATIVE TEAM

Tristan Weathers *Production Assistant*

Tristan Weathers is a junior undergraduate attending The Ohio State University in Columbus, Ohio, double majoring in theatre and arts management, with a minor in music. Beginning his acting career, he portrayed Dylan/Billy in *Wilderness* and Georgy in *Mountain*. They are the stage manager and assistant designing for The Black Box Series' 2025 production, *Explicit Content for Teens*. After ten years of orchestral viola and guitar training, he switched to singing and performing as a

baritone singer and beatboxer. Beyond the stage, Tristan is passionate about transgender and non-binary inclusion, advocating for diverse identities, equity, and institutional/cultural policy change. His passion for the performing arts and arts management track inspired him to work with CAPA, leading them to this unique opportunity. They are excited to celebrate the 2025 Marquee Awards with everyone!

OUR HOSTS

Mike McCarthy *Host*

Mike McCarthy is thrilled to celebrate the amazing work of these talented high school students! He's a huge fan of musical theater and wishes his abilities matched his passion for the arts. Mike anchors the 5:00 PM newscast on ABC 6 and advocates for viewers through his "On Your Side" reports. He graduated summa cum laude from Ohio University's E.W. Scripps School of Journalism. Before ABC 6/FOX 28, Mike spent three years sharing stories on TV in Knoxville, Tennessee. He has won 25 Emmy awards and has

been named "Best TV Reporter" by the Ohio Associated Press. His reports have been featured on ABC, CNN, FOX News, and HLN. He and his wife first met on their Marysville elementary school bus. They now live in Marysville with their two sons.

Lisa Minken *Co-Host*

Lisa Minken is the Marketing Manager for Broadway in Columbus, where she blends her passion for storytelling with her love of theater. Her journey began at age 10 when she was cast as an orphan in *Annie* in her hometown of Marysville, Ohio—proof that a little "Hard Knock Life" can lead to a lifelong love of the stage! In high school, she co-founded the Marysville Summer Theater Workshop, a program for students in grades 5–8. Lisa stays active in the Columbus theater community, both onstage and behind the

scenes, having performed in and directed numerous productions. When she's not sharing the excitement of Broadway, Lisa enjoys getting lost in a good book, playing board games, hanging out with her husband, Jon, and spoiling their dog, Ralphie.
